## CPE COVERS

### Description

Constructed of a durable spunbound polypropylene base-layer and coated with a heavy-duty layer of CPE. The waterproof CPE layer, extra deep design and durable CPE coating make this cover an ideal solution for users who require non-skid and anti-static covers for the larger work boot.

### Features & Benefits

- Waterproof bottom
- Anti-static, non-skid
- Extra deep to accommodate larger boots
- Elastic Band for secure fit
- Lightweight but durable
- One size fits all

### Applications

- Construction
- Manufacturing
- Clean Rooms
- Food Processing
- Healthcare
- Pharmaceuticals
- Energy
